	reliance on "soft" copy will enable stations to reduce paper holdings with a resultant saving in space. Security will be improved by the capability for rapid emergency destruction of records. If records are destroyed they can readily be reconstituted electronically from Headquarters. The capability for rapid emergency destruction and ready reconstitution of records would have proved invaluable in envisaged.	]25X1A 25X1
25X1		
25X1 25X1	5. What will all this cost? We estimate a total of up to in a five-year period. Our estimate includes one-time cost for video display units and upgraded communications systems at Headquarters. The cost of installing CRAFT at field stations will vary	25X1
25X1	6. To cover these estimates we have modified our projections for FY 79 and the out-years FY 80-83 to reflect a total requirement of This total appears in our Congressional budget submission for FY 79; it was
